

Children consolidate learning
and the story's morale.

Garden Friends 2

Keywords story dramatisation • verbal skills • art and crafts

- 1 Set up a dramatic play area. Create your own props after discussing with the children and providing materials.
- 2 Act out the story, triggering children's recall abilities, drama, speaking and physical skills. You may wish to use the animal masks from the **Resource File**. Emphasise the difference between when the animals were showing off and when they were working together.

Use the Dinja Waħda Notice Board and tell the school about what you're doing.
